

Organizations Aligned with Our Mission

 Owner	 Ashley Zeck
 Tags	

We align with organizations that focus on goal attainment, access to opportunity, and resource connection for young people and adults. The following organizations reflect shared values and complementary approaches.

Upwardly Global Houston

Focus: Career access and economic mobility for skilled professionals

Upwardly Global Houston helps individuals overcome systemic barriers to employment by providing career coaching, skills training, and employer connections. Their work centers on unlocking opportunity for adults whose talents are underutilized due to structural or credentialing barriers.

Mission Alignment:

Goal-driven career advancement

Removing access barriers to opportunity

Resource navigation and workforce integration

Year Up

Focus: Closing the opportunity divide for young adults

Year Up provides intensive training, professional development, and corporate placements for young adults seeking stable career pathways. Their model

emphasizes accountability, skill-building, and access to professional networks.

Mission Alignment:

Clear goal pathways (education → employment)

Structured access to opportunity

Measurable outcomes in economic mobility

The Women's Resource of Greater Houston

Focus: Helping women move toward stability, clarity, and self-defined goals

The Women's Resource offers counseling, financial education, and career resources to support women in building sustainable, self-directed lives.

Mission Alignment:

Individual goal setting and follow-through

Access to emotional, financial, and professional resources

Dignity-first, empowerment-based support

United Way of Greater Houston

Focus: Connecting people to possibilities through systems-level impact

United Way of Greater Houston coordinates cross-sector efforts to improve education, financial stability, and long-term wellbeing across the region.

Mission Alignment:

Expanding access to resources at scale

Systems navigation and opportunity creation

Community-wide goal achievement

MENTOR

Focus: Expanding access to quality mentoring nationwide

MENTOR strengthens the mentoring ecosystem by supporting programs, research, and policy that increase access to effective mentoring relationships.

Mission Alignment:

Relationship-based access to opportunity

Goal attainment through guidance and support

Infrastructure for long-term impact

Big Brothers Big Sisters of America

Focus: One-to-one mentoring to support youth success

Big Brothers Big Sisters connects young people with adult mentors who provide consistency, encouragement, and access to broader life opportunities.

Mission Alignment:

Goal-oriented mentoring

Access to social capital and support

Long-term personal and professional development

Optional Closing Line (you can include or cut)

These organizations demonstrate how access, opportunity, and goal-driven support can be operationalized across different populations and systems. Their work informs and complements our approach to helping individuals move from intention to impact..

Organizations Focused on Justice-Impacted Entrepreneurship & Recovery

New Profit - Unlocked Futures

Focus: Accelerating growth of organizations led by formerly incarcerated and justice-impacted social entrepreneurs

New Profit's Unlocked Futures provides \$100,000 in catalytic, unrestricted funding to social impact organizations with leaders directly impacted by the American legal system. Their cohort-based approach removes barriers to opportunity and supports entrepreneurship as a viable economic pathway.

Mission Alignment:

- Direct funding for justice-impacted social entrepreneurs
- Cohort-based peer support model
- Focus on systemic barrier removal

- Unrestricted funding approach

Next Steps for Partnership & Funding

Priority Organizations to Contact:

1. **New Profit - Unlocked Futures** - Apply for their cohort program (check mailing list for next application cycle)
2. **REDF** - Apply for Accelerator or Impact Investing Fund
3. **Restoring Virtue** - Pitch for investment/partnership opportunities
4. **SAMHSA** - Monitor grant opportunities for peer-led recovery programs

Grant Application Strategy:

- Emphasize your shame-free, dignity-first approach as differentiator
- Highlight peer mentorship and community container model
- Present entrepreneurship as evidence-based recovery capital building
- Showcase measurable outcomes in recovery stability + venture creation
